VOL. XXXVII.

STANFORD, KY., FRIDAY, OCTOBER 22, 1909.

NO. 68.

MIDDLEBURG.

Mr. and Mrs. Henry Clay Estes are papa and mamma now. It is a girl and the event occurred Monday. Dr. C. B. Creech attended and Clay is as happy as the happiest under such circumstances.

W. T. Miller has returned from New Castle, Ind. R. B. Young and D. G. Elliott were in Liberty Saturday. Miss May Horton, of Frankfort, is with her grand-parents, Mr. and Mrs. J. W. McWhorter. Miss Willie Fogle was over from Ellisburg Sunday. Q. R. Jones went to Louisville Monday to attend the Masonic Grand Lodge.

A family by the name of Price that has been giving the people on Trace Fork pike considerable trouble for some months, loaded their household effects Saturday and left for parts unknown. They had become so offensive that the citizens applied for a warrant of arrest, and getting wind of it, they made for tall timber. Uncle John Vest says he hopes the further they go the better they will like it.

The pupils of the Graded School went on an excursion to Liberty Friday and it was about the jolliest crowd it has been our lot to meet for many a year. They were chaperoned by their teachers and the kid band went along to furnish music. The professor was looking somewhat weary when he returned. It required four wagons with very large hay frames to take them and every available space was covered.

The democratic convention drew a big crowd to Yosemite Saturday. The convention was orderly and the best of feeling prevailed throughout. The Wall-town section was well represented and for the most part supported W. B. Wall for magistrate. They were defeated but took it good humoredly and deported themselves as gentlemen and good democrats. Mr. Wall thanked those who supported him and declared that he had no sores to heal. Mr. Thos. S. Benson was nominated.

Resolutions of Respect.

Whereas, we, in the providence of Almighty God, have been called upon to give up our beloved pastor, Rev. J. Murray Taylor, who has been called to the Centennial Baptist Church, Washington, D. C.

Be it resolved, first: That it is with the sincerest regret that we do so, and nothing short of the fact that we feel that he is entering upon a broader field of labor, and one which affords greater opportunities for the improving and developing of his consecrated talents, and our interest in the Master's work could reconcile us to the severance of the strong tie that binds us together, and be it resolved, second:

That we most earnestly commend him to the love, confidence and esteem of the church and people among whom he is to labor, as a most faithful and consecrated minister of the gospel; at the same time, praying God's richest blessings upon him and his work.

Be it resolved, third: That a copy of these resolutions be spread upon the minutes of our church-book, and that a copy be sent to our home paper, the INTERIOR JOURNAL, and the Baptist World, of Louisville, for publication.

Respectfully signed by the committee.
R. B. MAHONEY, chairman.

The Bed-Rock of Success.

Lies in a keen, clear brain, backed by indomitable will and restless energy. Such power comes from the splendid health that Dr. King's New Life Pills impart. They vitalize every organ and build up brain and body. J. A. Harmon, Lismore, W. Va., writes: "They are the best pills I ever used." 25c at Penny's Drug Store.

Mrs. Basil W. Duke, daughter of an illustrious Southern family, wife of Gen. Basil W. Duke, sister of Gen. John H. Morgan, founder and president of the Kentucky Chapter, United Daughters of the Confederacy, and vice president of the national organization, leader in the social life of Louisville, and mother of a distinguished family of sons and daughters, was found dead at her home. Death was due to heart failure.

"Health Coffee" is the cleverest imitation of real coffee ever yet made. Dr. Shoop created it from pure parched grains, malt, nuts, etc. Fine in flavor—made in just one minute. No 20 or 30 minutes tedious boiling. Sample free. Penny's Drug Store.

Failing to secure convictions for violation of the prohibition law under ordinary procedure the Mobile authorities will resort to injunctions provided for in the Fuller bill.

A tickling or dry cough can be quickly loosened with Dr. Shoop's Cough Remedy. No opium, no chloroform, nothing unsafe or harsh. Sold by Penny's Drug Store.

The Doctor—Your husband looks as though he were overworked. Mrs. Wise—Impossible. He holds a political office.

HUSTONVILLE.

Will Carson has about finished his assessing labors in this section.

James Yowell sold to J. C. Johnson two cars of 1,300-pound cattle for Nov. 1st delivery, at 54c.

Since the death of John Baugh's child at Jumbo recently, there are no new cases of diphtheria and school reopened Monday.

Miss Jessie Powell lost a handsome gold bracelet at the Baptist church last Sunday morning. The finder will be rewarded for its return.

Carlisle Alcorn left Sunday for Henderson, where he has been given a lucrative position in the construction department of the L. & N.

The sudden death of J. W. Linthecum last week removes from our midst a man of the strictest integrity and a gallant veteran of the 19th Ky. Infantry during the Civil War.

D. L. Shores & Sons sold their \$30,000 farm back to J. S. Murphy for \$26,500, after building a \$2,100 tobacco barn on it. They will return to North Carolina in the near future.

Miss Addie Lee, handsome daughter of Mr. and Mrs. H. T. Davidson, was married at the home of her parents on the 14th to George Bastin, Rev. K. G. Martin performing the ceremony.

Rev. Mills and wife, Mr. and Mrs. Rufus Lipps and Mrs. Minnie Robinson were among the delegates from here to the Centennial Convention of the Christian church at Pittsburg last week.

The music and elocution classes of Miss Angie Carpenter at the Graded School are progressing rapidly, which fact is due to the untiring energy of their teacher, who will give a recital in the near future.

J. F. Jeffers, son-in-law of Dr. J. T. Bohon, is seriously ill with lung trouble in a hospital in Louisville. Will Retherford, and wife, of Texas, are visiting relatives in this vicinity. His wife was Miss Bettie Carpenter.

Evidently a grave mistake was made by the managers of the Horse Show at Louisville and the Lexington trots by having their dates conflict. We heard many at both places regretting the collision of dates, which prevented many from attending both meetings.

Sam Rutherford bought of Joe Shearen one six-year-old 1,100-pound mule for \$185. Shearen bought of John Stapp a pair of good work mules for \$200. Alf Carpenter bought the house, lot and \$1,000 stock of goods of Joe Snow near Kidd's Store and has opened up for business.

Rev. G. W. Painter, formerly a missionary to China, will speak at the Sunday morning and evening services at the Presbyterian church. Dr. Painter is one of the veterans of the mission field, having gone to China in 1873. The opportunity of hearing a man of his ability and long experience is not often afforded smaller churches and should not be missed by any one who can attend.

The Teachers' Association met here Saturday last. The program, arranged to throw light on some of the dark places of school work, was carried out by the five teachers of the Graded School, who composed the entire professional attendance. Mr. Wheeler's address was helpful and hopeful, showing his untiring interest in the work and the workers. Miss Mary Staggs entertained the audience with a well rendered recitation. There are some 17 teachers belonging to this association and it is to be regretted that only five of them were able to be present.

The Hustonville auxiliary of the C. W. B. M. met at the Christian church Tuesday afternoon at 3 o'clock. Mrs. Jennie Carpenter, as leader, carried out as near as possible the program rendered at Pittsburg. The attendance was good, each member present participating. Opening prayer was rendered by Mrs. Jennie Carpenter, after which a letter from our State president was read, congratulating the auxiliary on its centennial gift. Next on program was the "value of centennial celebration" which was ably handled by Mrs. Smith Powell, after which an address was delivered by Miss Angie Carpenter in her usual impressive style and which compensated fully the members present for their absence from the Pittsburg Convention. The call to young women was read by Mrs. Catherine Hocker. After the scripture reading and circle of prayer, in which many of the young members took part, Mrs. Jennie Carpenter closed the meeting with a few words of exhortation of the necessity for prayerful persistent pressing on missionary service.

It is the weak nerves that are crying out for help. Then help them, don't drug the stomach or stimulate the Heart or Kidneys. That is wrong. Vitalize these weak inside nerves with Dr. Shoop's Restorative and see how fast good health will come to you again. Test it and see. Sold by Penny's Drug Store.

AIMED at election bribers and intended to prevent the use of money at elections, a bill changing the present law concerning bribery has been prepared by Judge T. L. Blakey, assistant attorney general. The bill will be introduced in the Senate by Senator A. R. Burnam, of Richmond. The most important provision of the new bill makes the man who receives the bribe a competent witness against the man who offers the bribe. Under the present law the bribe taker is equally guilty with the bribe giver and, being participes criminis, is not a competent witness against the man who gave the bribe.

DEATH'S invasion of the fast-thinning ranks of war veterans caused 48,312 names to be dropped from the pension rolls of the United States last year. Of this number, 32,831 were survivors of the Civil War. The total loss to the pension roll from all causes was 51,581. In striking contrast to these figures, comprised in the annual report of Vespasian Warner, Commissioner of Pensions, is the statement that the Government paid out in pensions in the fiscal year ending June 30, 1909, \$161,973,703, which the commissioner declares is the largest amount ever disbursed for pensions in one year.

THE prospects for the Democrats controlling the next State Senate are exceedingly good. With seven Democratic Senators as holdovers and eight Democratic nominees who have no opposition, the Democrats will only have to elect five members to control the next Senate. The Democratic campaign committee claims there are at least 10 districts in which elections are to be held that the Democrats have a good chance. In several of these districts the chances are more than good.

Resolutions of Respect by Lincoln County Medical Society.

At the lonely hour of midnight on Aug. 2, 1909, the spirit of Dr. L. B. Cook took its flight to Him Who gave it and left the pain-racked body to be viewed upon earth for the last time by a broken-hearted companion, grief-stricken children, brothers and sisters and a multitude of sorrowing friends. Therefore be it resolved

1st In the death of Dr. Cook the medical profession has lost one of its ablest and truest members, the home a kind, loving husband and indulgent father, the community a most faithful, efficient servant, society its best example and the church a true christian.

2nd That these resolutions be spread upon the minute book of this meeting, sent to the State Medical Journal and INTERIOR JOURNAL for publication and the family be furnished with a copy of same.

Heart Strength

Heart strength, or Heart Weakness, means Nerve strength, or Nerve Weakness—nothing more. Positively, not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the heart must continue to fail, and the stomach and kidneys also have these same controlling nerves. This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this popular prescription—is alone directed to these weak and wasting nerve centers. It builds; it strengthens; it offers real, genuine heart help. If you would have strong hearts, strong digestion, strengthen these nerves—re-establish them as needed, with

They will vote for the best men for the various offices of the town after their election, should they be so fortunate as to win. Then, and not until then, need any candidate apply. TOO CHEAP.—Tuesday afternoon a Negro giving his name as John Fisher drove two good steers to town and offered to sell them to Land & Buchanan for \$37.50.
